MOUNTING TO SHELF:

1. Align dispenser with shelving unit holes

2. Use supplied screws and wing nuts (2 of each) to secure facing to shelf

Note: Be sure to tighten as much as possible

STOCKING/RE-STOCKING:

1. Push spring/side pusher back and turn dial counter-clockwise. Place bottle in dispenser

2. Once dial has returned to front position, push bottle back, turn dial and insert another bottle
